About Colinwell

Colinwell, a RTU company, is an award-winning company and a market leader in the concrete products industry. With over 130 years of experience, Colinwell has earned a strong reputation for producing best-in-class concrete products that combine performance, durability, and design excellence.

Our diverse product range includes Allan Block® Retaining Wall Systems, Martello Stone Walling, Architectural Masonry, Paint Grade Masonry and Acoustic Masonry Solutions. These innovative systems are designed to meet the needs of a wide variety of projects, providing both functional and aesthetic value.

Colinwell proudly serves a broad range of sectors, including residential, education, industrial, infrastructure, commercial, sports and recreation, and religious developments. Our ability to deliver dependable and tailored solutions has made us a trusted name across these industries.

We ensure our clients receive the right products, at the right time, and in the right place – backed by expert support and a deep understanding of construction needs. We supply projects of all sizes throughout the UK & Ireland, offering nationwide delivery and service our clients can rely on.

Our vision is to be the leading supplier of concrete masonry products – a goal we pursue through our core values of innovation, passion, and quality.

We are committed to sustainability, integrating environmentally conscious practices across our manufacturing processes and product designs. Colinwell continues to build on its legacy of excellence, combining heritage, innovation, and quality in every product we deliver.

Why Choose Martello Stone Walling?

Authentic Stone Aesthetic, Without the Complexity

Crafted using real quarried aggregates, Martello captures the texture and colour variation of traditional stonework without the need for specialist stonemasons or complex construction methods.

Flexible Design with Regional Character

Available in a choice of unit sizes, laying patterns, and colours that reflect Ireland's native stone, Martello adapts easily to both contemporary and heritage-style projects.

Durable, Maintenance-Free Performance

Manufactured to stringent standards, Martello delivers long-term durability with zero maintenance. It's frost-resistant, structurally robust, and efflorescence-free.

Responsibly Made, Sustainably Sourced

We manufacture using 100% renewable energy, water from our own spring, and up to 65% recycled aggregate content—minimising environmental impact without compromising quality.

The Martello Stone Walling Collection

by Colinwell

Martello Stone Walling is available in a range of colours that reflect the natural character and charm of traditional Irish stone. Designed to complement both contemporary and heritage styles, these authentic tones bring depth, texture, and lasting visual appeal to every project.

Laying Styles

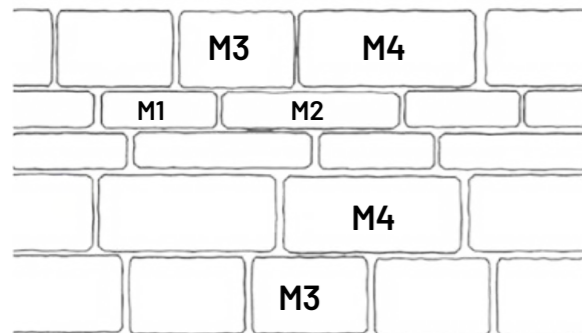

Random Bond (Using all 5 Stone Sizes)

Unit per m² - Random Bond

Type	No. per m ²	% per m ²
M1	14	0.24
M2	12	0.26
M3	6	0.20
M4	4	0.20
M5	2	0.10

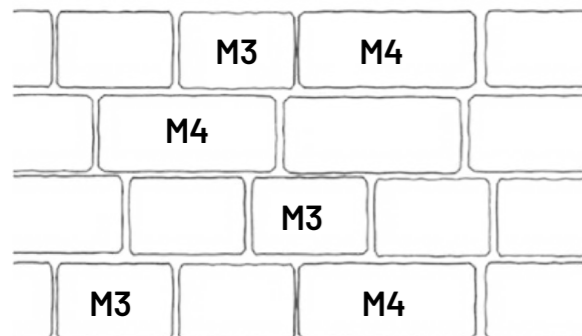

Double Course Bond (Using 4 Stone Sizes)

Unit per m² - Double Course Bond

Type	No. per m ²	% per m ²
M1	6	0.20
M2	6	0.20
M3	10	0.33
M4	8	0.27

Coursed Bond (Using 2 Stone Sizes)

Unit per m² - Coursed Bond

Type	No. per m ²	% per m ²
M3	9	0.52
M4	15	0.48

The three tables above represent the approximate, typical combination of unit sizes used in construction for each laying style.

Technical Information

Specification & Properties

Product Type	Concrete Block
Efflorescence	Nil
Installed to	BS5628-3:2005
Manufactured to	BS EN 771-3
Durability (Freeze/Thaw)	F2 (Severe Exposure)
Tolerances	Category D1
Reaction to Fire	A1
Thermal Conductivity	Protected 1.25 W/mK; Exposed 1.43 W/mK
Strength	10.4N/mm ²
Density	2150kg/m ³
Shrinkage	Less than 0.06%
Water Absorption	Less than 6% at 24 Hours

Our Accreditations

Colinwell proudly holds Level 2+ Accreditation in Factory Production Control from the NSAI (National Standards Authority of Ireland). This certification supports our commitment to quality and consistency across our supply chain in the Republic of Ireland.

We are dedicated to delivering high quality products, exceptional service, and customer satisfaction. To support this commitment, we have developed robust Quality Management Systems, which have earned us the internationally recognised ISO 9001 Quality Management Accreditation.

Colinwell takes environmental responsibility seriously. Our materials have contributed to the construction of numerous landmark projects throughout the UK and Ireland. As part of our commitment to sustainable business practices, we hold ISO 14001 Environmental Management Certification - reflecting our efforts to minimise environmental impact and support future generations.

Colinwell's Martello Stone Walling carries CE Marking, demonstrating compliance with EU legislation and confirming that our products meet all applicable European health, safety, and environmental protection standards.
